

5th

Himalayan Researchers Consortium

30-31 July 2020

30-31 July 2020

Promotion of science culture by creation of a cadre of dedicated future researchers in IHR

Vision : To support the sustenance and enhancement of the natural, cultural, ecological and socio-economical assets and values of the Indian Himalayan Region

Web-Conference

To provide a platform for Himalayan researchers to present and discuss their findings

To interact and gain knowledge/guidance from subject experts/mentors

To enhance their capacity to exercise influence in scientific fraternity

About National Mission on Himalayan Studies (NMHS)

The National Mission on Himalayan Studies (NMHS), a Central Sector Grant-in-aid Scheme targets to provide much needed focus, through holistic understanding of system's components and their linkages, in addressing the key issues relating to conservation and sustainable management of natural resources in Indian Himalayan Region (IHR). The ultimate goal is to improve quality of life and maintain ecosystem health of the region to ensure long-term ecological security to the country.

As the Mission specifically targets the Indian Himalayan Region (IHR), the jurisdiction of NMHS includes 9 Himalayan states and 2 UTs fully (i.e., Arunachal Pradesh, Himachal Pradesh, Jammu & Kashmir, Ladakh, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Tripura and Uttarakhand) and two states partially (i.e., hill districts of Assam and West Bengal).

Under the National Mission on Himalayan Studies (NMHS), the Himalayan Fellowship Grant is aimed at facilitating knowledge building in IHR institutions by way of (i) creating various fellowships and academic (national) exchange programs (ii) upgrading infrastructure of key academic and research institution and (iii) organizing regional, national and international conferences, workshops, events etc

Challenges and Gap Areas

The Indian Himalayan Region (IHR), because of its remoteness and detachment, frequently stays denied of youthful gifts, and an enormous hole in quality examination studies and database shows up when exploration is conducted from outside the locale.

Consortium Highlights

- Presentation of Annual Research findings by each NMHS Himalayan researchers
- Invited talks on thematic areas by Eminent experts
- Assessment, Evaluation and feedback sharing
- Interactive sessions with peers and distinguished experts

Participants

- Himalayan Researchers
- Other researchers working in the IHR
- Eminent experts, Mentors etc.
- Himalayan Resource Persons etc.

Envisaged outcomes

- Unique knowledge sharing platform for the Himalayan young researchers
- Formal collaborations of NMHS-funded Fellowships Grant institutions with other schemes / programs of IHR
- Best practices and innovations dissemination to the Himalayan young researchers

Advisory Committee

- Shri A.K.Nautiyal, JS, MoEF&CC,
- Dr. R.S.Rawal, Director, GBP NIHE, Almora, Uttarakhand
- Shri Shard Sapra, Scientist E, Additional Director, Mountain Division, MoEF&CC
- Shri Lalit Kapur, Sr. Consultant, NMHS, MoEF&CC,
- Dr. J.C.Kuniyal, Scientist G, GBP NIHE, Almora
- Dr. G.C.S. Negi, Scientist G, GBP NIHE, Almora
- Dr. I.D.Bhatt, Scientist G, GBP NIHE, Almora

Organizing Committee

- Shri Ranjan Joshi, Scientist F, GBP NIHE, Almora
- Dr. K.C. Shekhar, Scientist E, GBP NIHE, Almora
- Dr. Sandipan Mukherjee, Scientist D, GBP NIHE, Almora
- Dr. Vasudha Agnihotri, Scientist D, GBP NIHE, Almora
- Er. Ashutosh Tiwari, Scientist C, GBP NIHE, Almora
- Shri Puneet Sirari, PMO, NMHS-PMU, GBP NIHE, Almora
- Dr. Lalit Giri, Project Scientist, NMHS-PMU, GBP NIHE, Almora
- Shri Tanmay Dhar, Project Scientist, NMHS-PMU, GBP NIHE, Almora

Convenor:
Er. Kireet Kumar
Scientist G & Nodal Officer, NMHS-PMU
GBP NIHE, Kosi, Almora, Uttarakhand
